COLLEGE OF NURSING, HEALTH, AND HUMAN SERVICES

Mission

The College of Nursing, Health and Human Services is dedicated to advancing health and well-being through excellence in education, research, and community engagement. We prepare compassionate and skilled professionals who are equipped to meet the evolving physical, mental, and social needs of all people. Our commitment to innovation, interprofessional collaboration, and lifelong learning empowers our graduates to lead and advocate for health equity and quality care globally.

Vision

To be a global leader in nursing, health professions, and human services education, fostering a culture of excellence, innovation, and inclusivity. We aspire to transform lives through research, exceptional teaching, and impactful community partnerships, shaping the future of health and human services with a commitment to justice, compassion, and holistic care.
